BLOSSOMS FROM A TIMELESS WORLD

BONARDA ROSE

Varietals: 100% Bonarda

Growing regions: Central Valley (San Martín, Junín, Rivadavia)

Winemaking

Manual harvesting of the grapes.

Reception and destemming.

Sangria (We remove part of the must that had rapid contact with the skins).

Fermentation with selected yeasts at controlled temperatures.

Stabilization, filtration and bottling.

ALCOHOL	RESIDUAL SUGAR	TOTAL ACIDITY	PH
12,5%	2 g/l	6,3 g/l	3,4

Tasting notes:

This refreshing rosado presents a beautiful and delicate pink colour with reddish tones. Very elegant aromas of strawberry and raspberry, expressing freshness both on the nose and in the mouth. On the palate it has an unctuous entry and balanced acidity providing structure with harmony, with persistent flavours that carry through the finish.
