Pressing.

Natural malolactic fermentation.

Stabilization, filtration and bottling.

ALCOHOL	RESIDUAL SUGAR	TOTAL ACIDITY	PH
9%	39 g/l	5,9 g/l	3,65

### Tasting Notes

This sweet wine made with 100% Chenin grapes presents a yellow colour with greenish glints. The nose is expressive with tropical fruit and floral notes. Very refreshing with an unctuous mouth feel, balanced acidity and a very delicate character.
